F-31™ COMPOUND BOW

#1601197

- High-quality Gordon Glass limbs
- Anti-slip grip
- 31" draw length with zero let-off cams
- 25–40 lb. adjustable limbs
- Deep-well cam grooves keep the string from derailing

THE KRAKEN™ 3-BARB POINT

#1601039

- Mechanical barbs minimize drag and increase penetration
- Barbs deploy upon strike leaving a small entry hole for maximum effectiveness
- 3.75" barbs ensure ultimate holding power
- 3 barb ferrule release
- Blue O-rings eliminate tip/point loosening
